a three volume study of the life and work of pablo picasso captures the artist from his early life in marseilles and barcelona through his revolutionary cubist period to the height of his talent in prewar europe

part of a series which introduces key artists and movements in art history this book deals with picasso each title in the series contains 48 full page colour plates accompanied by extensive notes and numerous comparative black and white illustrations

a three volume study of the life and work of pablo picasso captures the artist from his early life in marseilles and barcelona through his revolutionary cubist period to the height of his talent in prewar europe

the first volume of john richardson's extraordinary biography of picasso

françoise gilot's candid memoir remains the most revealing portrait of picasso written and gives fascinating insight into the intense and creative life shared by two modern artists françoise gilot *was in her early twenties when she met the sixty one year old pablo picasso in 1943 brought up in a well to do upper middle class family who had sent her to cambridge and the sorbonne and hoped that she would go into law the young woman defied their wishes and set her sights on being an artist her introduction to picasso led to a friendship a love affair and a relationship of ten years during which gilot gave birth to picasso's two children paloma and claude gilot was one of picasso's muses she was also very much her own woman determined to make herself into the remarkable painter she did indeed become life with picasso written with carlton lake and published in 1961 is about picasso the artist and picasso the man we hear him talking about painting and sculpture his life his career as well as other artists both contemporaries and old masters we glimpse picasso in his many and volatile moods dismissing his work exultant over his work entertaining his various superstitions being an anxious father but life with picasso is not only a portrait of a great artist at the height of his fame it is also a picture of a talented young woman of exacting intelligence at the outset of her own notable career*

in the second volume of his life of picasso richardson reveals the young picasso in the baudelairean role of the painter of modern life never before have picasso's revolutionary vision technical versatility prodigious achievements and not least his sardonic humor been analyzed with such clarity hence his great breakthrough painting les demoiselles d'avignon with which this book opens as well as portraying picasso as a revolutionary richardson analyzes the more compassionate side of his genius the misogynist of posthumous legend turns out to have been surprisingly vulnerable more often sinned against than sinning heartbroken at the death of his mistress

eva picasso tried desperately to find a wife richardson recounts the untold story of how his two great loves of 1915 17 successively turned him down these disappointments as well as his horror at the outbreak of world war i and the wounds it inflicted on his closest friends braque and apollinaire shadowed his painting and drove him off to work for the ballets russes in rome and naples back to the ancient world in this volume we see the artist s life and work during the crucial decade of 1907 17 a period during which picasso and georges braque devised what has come to be known as cubism and in doing so engendered modernism thanks to the author s friendship with picasso and some of the women in his life as well as braque and their dealer d h kahnweiler and other associates he has had access to untapped sources and unpublished material in the cubist rebel richardson also introduces us to key figures in picasso s life who have been totally overlooked by previous biographers among these are the artist s chilean patron collector and mother figure eugenia err [?] zuriz as well as two fianc [?] es the loveable genevi [?] ve laporte and the promiscuous bisexual painter ir [?] ne lagut by harnessing biography to art history he has managed to crack the code of cubism more successfully than any of his predecessors and by bringing fresh light to bear on the artist s private life he has succeeded in coming up with a new view of this paradoxical man and of his paradoxical work never before have picasso s revolutionary vision technical versatility prodigious achievements and not least his sardonic humor been analyzed with such clarity

john richardson draws on the same combination of lively writing critical astuteness exhaustive research and personal experience which made a bestseller out of the first volume and vividly recreates the artist s life and work during the crucial decade of 1907 17 a period during which pablo picasso and georges braque invented cubism and to that extent engendered modernism richardson has had unique access to untapped sources and unpublished material by harnessing biography to art history he has managed to crack the code of cubism more successfully than any of his predecessors and by bringing a fresh light to bear on the artist s often too sensationalised private life he has succeeded in coming up with a totally new view of this paradoxical man of his paradoxical work never before has picasso s prodigious technique his incisive vision and not least his sardonic humour been analysed with such clarity

the first volume had strongly emphasised picasso s spanish roots from malaga to barcelona the book ended in early 1907 with the 25 year old picasso having completed *les demoiselles d avignon* described by richardson as the most innovative painting since giotto and the first masterpiece of the 20th century the great painting serves as the starting point of volume 2 volume 2 covers only ten pivotal years in picasso s life at the heart of the book is cubism the book will cover his relationship with cocteau his affair with fernande olivier and the influence of women on his art the book ends as picasso gets on the train to join diaghilev in rome in 1917

the third volume of richardson s magisterial life of picasso a groundbreaking contribution to our understanding of one of the greatest artists of the twentieth century here is picasso at the height of his powers in rome and naples producing the sets and costumes with cocteau for diaghilev s ballets russes and visiting pompeii where the antique statuary fuel his obsession with classicism in paris creating some of his most important sculpture and painting as part of a group that included braque apollinaire mir [?] and breton spending summers in the south of france in the company of gerald and sara murphy hemingway and fitzgerald these are the years of his marriage to the russian ballerina olga khokhlova the mother of his only legitimate child paulo and of his passionate affair with marie th [?] r [?] se walter who was as well his model and muse

meet pablo picasso and discover the story of his life and work in this engagingly illustrated biography narrated by the artist himself pablo picasso redefined twentieth century art moving from realistic portrayals and experiments in color to primitivism and cubism in which he deconstructed the subjects he painted this engaging first person biography explores the unique career of this master who began learning to draw and paint at just seven years old it delves into picasso s training including at the school of fine arts in barcelona his various stylistic periods from naturalism to surrealism his experience living in paris under german occupation during world war ii his many marriages and his profound influence on later artists

a masterpiece sunday times magisterial thrilling guardian terrifically enjoyable daily telegraph the beautifully illustrated long awaited final volume of john richardson s magisterial life of picasso drawing on original research from interviews and never before seen material in the picasso family archives the minotaur years opens in 1933 with a visit by the hungarian french photographer brassai [?] to picasso s ch [?] teau in normandy boisgeloup where he would take his iconic photographs of the celebrated plaster busts of picasso s lover marie th [?] r [?] se walter picasso was contributing to andr [?] breton s minotaur magazine and spending time with the likes of man ray salvador dal [?] lee miller and the poet paul [?] luard in paris and the south of france it was during this time that picasso began writing surrealist poetry and became obsessed with the image of himself as the mythic minotaur richardson shows us

the artist being as prolific as ever painting walter as well as the surrealist photographer dora maar who became a muse collaborator and lover the bombing of guernica in april 1937 would inspire picasso s vast masterwork of the same name which he painted in just a few weeks for the spanish pavilion at the paris world s fair when the nazis occupied paris in 1940 picasso chose to remain in the city despite the threat that his art would be confiscated in 1943 picasso met fran^{çois} oise gilot who would replace maar and inspire a brilliant new sequence of paintings as always richardson tells picasso s story through his work analysing how it shows what the artist was feeling and thinking his fascinating and illuminating narrative immerses us in one of the most exciting moments in twentieth century cultural history and brings to a close the definitive and critically acclaimed biography of one of the world s most celebrated artists

the author introduces material on the artist s early training in religious art and establishes his passion for barcelona and catalan modernism there are also portraits of apollinaire max jacob and gertrude stein who made up the picasso gang the book won the 1991 whitbread biography award

the beautifully illustrated fourth volume of picasso s life set in france and spain during the spanish civil war and world war ii covers friendships with the surrealist painters artistic inspiration around guernica and the minotaur and his muses marie thérèse dora maar and fran^{çois} oise gilot and much more including 271 stunning illustrations and drawings on original and exhaustive research from interviews and never before seen material in the picasso family archives this book opens with a visit by the hungarian french photographer brassai to picasso s chateau in normandy boisgeloup where he would take his iconic photographs of the celebrated plaster busts of marie thérèse picasso s mistress and muse picasso was contributing to andré breton s minotaure magazine and he was also spending more time with the likes of man ray salvador dalí lee miller and the poet paul eluard in paris as well as in the south of france it was during this time that picasso began writing surrealist poetry and became obsessed with the image of himself as the mythic minotaur head of a bull body of a man and created his most famous etching minotauroromachie richardson shows us the artist is as prolific as ever painting marie thérèse but also painting the surrealist photographer dora maar who has become a muse a collaborator and more in april 1937 the bombing of the town of guernica during the spanish civil war inspires picasso s vast masterwork of the same name which he paints in just a few weeks for the spanish pavilion at the paris world s fair when the nazis occupy paris in 1940 picasso chooses to remain in the city despite the threat that his art would be confiscated in 1943 picasso meets fran^{çois} oise gilot who would replace dora and as richardson writes rejuvenate his psyche reawaken his imagery and inspire a brilliant sequence of paintings as always richardson tells picasso s story through his work during this period analyzing how it shows what the artist was feeling and thinking his fascinating and accessible narrative immerses us in one of the most exciting moments in twentieth century cultural history and brings to a close the definitive and critically acclaimed account of one of the world s most celebrated artists

discover the remarkable life of pablo picasso pablo picasso born on october 25 1881 in malaga spain was one of the twentieth century s most prolific and successful artists a natural born prodigy he began painting at the age of two and never stopped until his death at the age of ninety one from a young age picasso oozed defiance against formal authority this was reflected not only in his personal life which was a tangle of mistresses and wives but especially in his art his aim was to recreate reality and change the viewers preconceived thinking in his own words pablo picasso painted objects as i think them not as i see them discover a plethora of topics such as the birth of a rebel picasso s cubism picasso during world war i guernica and the spanish civil war picasso and the nazis death and legacy and much more so if you want a concise and informative book on pablo picasso simply scroll up and click the buy now button for instant access
