the minor prophets are those dozen old testament books that in the time of jesus were usually written on one scroll since they were all fairly brief the late elizabeth achtemeier prepared the new international biblical commentary on the first six hosea joel amos obadiah jonah and micah this second volume deals with the final six books john goldingay writes on nahum habakkuk zephaniah and haggai pamela scalise takes on the longest zechariah and the last malachi like the authors of other volumes in the nibc goldingay and scalise utilize what is referred to as believing criticism when examining the biblical texts based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection for example goldingay issues a reminder that when the prophets spoke against the arrogance and sins of assyria and babylon the israelites needed to hear the word of god as a caution against their own pride and wickedness he goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient middle east empires can fall upon any and all who follow their example the new international biblical commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit based on the widely used new international version translation the nibc presents careful section by section exposition with key terms and phrases highlighted and all hebrew transliterated a separate section of notes at the close of each chapter provides

additional textual linguistic cultural and technical comments each commentary also includes a selected bibliography as well as scripture and subject indexes

yehoshua gitay is an established scholar and his book makes various contributions to the field of rhetorical criticism among these is his call for more of a distinction between literary criticism and public criticism i find his chapter on poetics of exile and suffering to be among the most interesting important and substantive contributions of this book prof christopher a rollston emmanuel christian seminary johnson city usa

over the years the kretzmann commentary has been widely received and praised for its simple clear explanation of the bible in language easily understood by lay readers of the bible based on the king james version of the bible kretzmann offers insights from martin luther and other faithful lutheran scholars warm accessible and not overly burdened by unrelated material these volumes will find a welcome place in the homes of all serious students of the scriptures
